

# Installation Instructions

## LED Falcon™ II - LED High/Low Bay Light

### **WARNING**

1. To avoid electric shock, disconnect power at source prior to installation.
2. The installation should be performed by qualified electricians or lighting technicians.
3. Before conducting any installation, maintenance, or removal, disable all power to the luminaires and wait until the fixture cool down.
4. Do not touch the fixture while it is in service.
5. If there is any problem with the fixture, DO turn off power and DO NOT attempt repair unless you are a qualified technician or the customer service member.

## Sensor Installation:

 <p>Unscrew four screws to remove the middle cover.</p> <p>Unscrew the gland to remove the cap.</p>	 <p>PURPLE(DIM+)    PINK(DIM-) BLACK&amp;WHITE(AUX 12V)</p> <p>Gently pull dimming cable through the middle hole and feed the cable through the cap just removed from the gland in step 2.</p>
 <ul style="list-style-type: none"><li>● PINK WIRE TO PINK SLOT</li><li>● PURPLE WIRE TO BLUE SLOT</li><li>● BLACK/WHITE WIRE TO YELLOW SLOT</li></ul> <p>Connect dimming cable to the sensor connector. Screw gland back together.</p>	 <p>Feed the gland back through the middle hole and secure the sensor in place with the four screws removed in step 1.</p>

**The installer is responsible for ensuring the fixings / ceiling is to type suitable to support the luminaire weight.**

Luminaire must be operated within an ambient fixture temperature of -20°C to 50°C to comply with all safety and warranty regulations. Ensure sufficient air flow around the luminaire for efficient heat dissipation. Failure to do so could significantly reduce luminaire life and/or safety/warranty regulations.

**NOTE: Installation of LED luminaire with modification to the unit, or incorrect fitting in accordance with the above instructions could result in damage/failure of the luminaire, which may invalidate warranty.**

#### MANUFACTURER'S GUARANTEE

This product is guaranteed in the country of purchase for the number of years as stated from the date of purchase. The guarantee is invalid in the case of improper use, installation, tampering, removal of the Q.C. date label, installation in an improper working environment or installation not in accordance with the advised instructions and/or national wiring regulations. Should this product fail during the guarantee period it will be replaced free of charge, subject to correct installation and return of the faulty unit. We not accept responsibility for any installation costs associated with the replacement of this product. This warranty is in addition to the statutory rights in your country of purchase and reserve the right to alter specifications without prior notice.
